Job Objective

Dedicated and detail-oriented Frontend Developer with 3+ years of experience designing and implementing responsive and scalable web applications. Proficient in React, HTML5, CSS3, and JavaScript, with a strong focus on user-friendly interfaces and efficient code optimization. Proven expertise in collaborating with cross-functional teams to deliver high-performance software solutions.

Technical Skills

Programming Languages: PHP, JavaScript

Frontend Tools(UI/UX): HTML5, CSS3, React, Bootstrap, AG Grid, JQuery, Figma

Frameworks: ReactJS, Yii2

Database Management: SQL

Professional Experience

DAYAL FERTILIZERS Pvt. Ltd.(Dayal InfoSystems)   **February 2023 – Till Date**

Senior Software Engineer

Project: dbPortal

Tools: HTML, CSS, Bootstrap, JavaScript, React, AG Grid, SQL Formatter

Overview: Designed and managed a comprehensive portal for database administration, enabling seamless ERP system integration.

Key Contributions:

- Developed and optimized database objects, including tables, field, views, functions, triggers, script, and build.
- Automated build preparation processes, ensuring efficient and error-free releases.
- Enhanced system scalability and performance by resolving critical bottlenecks.
- Collaborated with cross-functional teams to align features with business requirements.
- Documented processes to support team knowledge sharing and onboarding.

Project: Update AG Grid with Map Dashboard and Chart Dashboard

Tools: HTML, CSS, React, Bootstrap, AG Grid

Overview: Integrated a dynamic map dashboard with AG Grid to deliver advanced data visualization and geospatial insights.

Key Contributions:

- Implemented real-time synchronization between grid data and geospatial mappings.
- Built responsive and interactive UI components to enhance user experience.
- Optimized rendering performance for large datasets in both grid and map views.
- Collaborated with backend teams for accurate geospatial data processing.

Project: AG Grid Integration in ERP Software

Tools: HTML, CSS, React, Bootstrap, AG Grid, PHP

Overview: Embedded AG Grid into the ERP system to improve data interaction and visualization, filtering offering personalized views and dynamic charts.

Key Contributions:

- Developed "My View" and "Standard View" functionalities for user-specific customization.
- Integrated dynamic charting for visual data analysis within AG Grid.
- Implemented the sorting, filtering functionalities of AG Grid.
- Designed custom features like theme selection, column resizing, and export options using button.

- Enhanced grid performance for handling large datasets seamlessly.
- Conducted UI testing and debugging to ensure system reliability.

CNC Web World Technologies Pvt. Ltd.   **May 2021 - February 2023**
Frontend Developer
- Developed web applications using HTML, CSS and Bootstrap, focusing on scalable and responsive UI components.
- Reduced user-reported issues by 20% through UI testing and debugging and Testing team support.
- Ensured cross-platform compatibility and optimized application performance.

Intern (Trainee)
- Gained hands-on experience with "HTML5, CSS3, Bootstrap and UI development".
- Contributed to Green Corner Advisory project building responsive web page.

Achievements
- **Employee of the Month (EOM):** Awarded three times at Dayal Fertilizers Pvt. Ltd. (Dayal InfoSystems) for exceptional performance and contribution to key projects.
- **Excellence Award:** Recognized for outstanding performance and commitment to excellence at Dayal Fertilizers Pvt. Ltd.(Dayal InfoSystems)

Education Qualification:
- **Bachelor of Technology** | Abdul Kalam Technical University, Lucknow (2022)
  - Grade: First Class
- **Diploma** | Board of Technical Education, UP (2019)
  - Grade: First Class
- **12th** | Patel Memorial Inter Collage Atraulia Azamgarh, UP (2016)
  - Grade: First Class
- **10th** | Patel Memorial Inter Collage Atraulia Azamgarh, UP (2014)
  - Grade: First Class

Personal Details:
- **Father's Name**   : Mr. Vijay Kumar
- **Date of Birth**   : 05/04/2000
- **Marital status**   : Married
- **Languages known**   : Hindi, English
- **Hobbies**   : Playing(Chess,Cricket), Travelling, Learning
